1. Aims

The aims of this plan are:

- To consider potential risks and issues that could cause disruption to the management and administration of exams
- To mitigate the impact of disruptions by providing actions or procedures to follow

2. Legislation and guidance

This plan complies with the [Joint Council for Qualifications \(JCQ\) General Regulations for Approved Centres](#), which require all exam centres to have a written examination contingency plan/examinations policy.

This plan also complies with our funding agreement and articles of association.

3. Responsibilities

3.1 Head of centre

The head of centre is Pam Ridgwell, Executive Head Teacher. She will ensure that a written examination contingency plan/examinations policy is in place which covers all aspects of examination administration.

3.2 Exams Officer

The Exams Officer is Karen McCall. In the event that she is otherwise unavailable this role will be conducted by a member of the Senior Leadership Team in the following priority order according to their suitability:

- Head of Centre, Pam Ridgwell
- Ms Watson
- Ms Hatch
- Ms Goode

3.3 Staff and invigilators

Staff and invigilators involved in the centre's exam process are responsible for reading, understanding and implementing the contingency plan.

4. Centre Disruption

In the event that the centre is rendered unusable or unsuitable for the provision of exams a risk assessment will be conducted by the Exams Officer and/or the Head of Centre. If necessary, the following alternative locations can be considered for examinations:

- Cranbrook library (immediately next door to the centre)
- Cranbrook Church of England Primary School (approximately 200m from the centre)
- Cornfields School (approximately 12 miles from the centre and will require the use of school transport)

5. Monitoring arrangements

This policy will be reviewed by the Examinations Officer, every year in the autumn term, or well in advance of each exam series. At every review, the policy will be shared with the governing board.

6. Links with other policies

This exam contingency plan is linked to the assessment policy and linked to the school's statement of curriculum offer.

7. Contingency plan

The table below sets out examples of scenarios where a contingency plan may be needed within Cornfield School to minimise risk to examination administration.
